

Imagine Joe Biden elected as President, then passing away, becoming incapacitated, or stepping aside for his VP.

...Now imagine Kamala Harris becoming President of the United States of America...

"And once Trump's gone and we have regained our rightful place in the White House, look out if you supported him and endorsed his actions, because we'll be coming for you next. You will feel the vengeance of a nation. No stone will be left unturned as we seek you out in every corner of this great nation. For it is you who have betrayed us."

**...Yes, she had actually said this!...
And she would then also have a record
of how you and everyone else
had voted in this election...
Think about it!... And then spread this!!**

THIS IS WHAT THE SOCIALIST DEMOCRATS ARE CREATING NOW IN AMERICA

- Let un-checked numbers of millions of illegal migrants and drugs flood in.
- Let criminals into the country, out of the prisons, and onto the streets.
- Let boys in girl's locker rooms and promote trans and gender confusion.
- Let women kill their offspring as they harvest their organs for fun & profit.
- Divide the country by race and every other conceivable characteristic.
- Demonize the Police and the Military while planning their own police-state.
- Demonize White People, Christians, Conservatives, Veterans and Patriots.
- Accept and normalize intolerance and barbarity in the form of Islamism.
- Indoctrinate our children in Marxist and Islamist totalitarian ideologies.
- Over tax and over regulate the hard working while eliminating their jobs.
- Borrow and spend the country deeply into debt while robbing the taxpayers.
- Shut down our economy over scams called "green new deal" & "Covid-19".
- Take away our freedom of speech, worship, and freedom of assembly.
- **Take away guns for self-protection & defense from honest citizens.**

So what could possibly go wrong??...

The History of the Democrat Party:

- The Party of Slavery
- The Party of Jim Crow
- The Party of Segregation
- The Party of the KKK

Don't believe it's history?... Look it up!
(Before they destroy that too)

And now also:

- The Party of the terrorist organizations Antifa and BLM
- The Party of Marxists, Socialists, Communists & Fascists
- The Party of Wall Street Bankers, International Corporations, Silicon Valley Big Tech, Big Main-Stream Liar Media, and Government Deep-State Traitors

I'll have those niggers voting Democratic for the next 200 years. [Touting his underlying intentions for the "Great Society" programs, LBJ confided with two like-minded governors on Air Force One]
