

PRINT THE CARD AND SPREAD THIS INFO!

(This is a business-sized card for promotional purposes)

Printing Instructions:

- 1) Take this file to the printer of your choice—although you can have them printed at very low cost at a Staples office supplies store utilizing their cheapest business card price (should be about \$25 per 1000).
- 2) Have them print one-sided on single gloss-side card-stock (The blank side will be matte on the back).

AND THEN PASS THEM OUT TO EVERYONE YOU CAN!
